

Kako zaslužiti denar na internetu

(Preverjeno, dokazi v nadaljevanju)

Napisal:Mag3*

Kontakt:msn/mail/palringo:mag30wn1@hotmail.com

Bidtraffic

Najprej se registrirate na naslednjem linku:

<http://bidtraffic.com/signup.php?type=publishers&refid=54932>

(Če se registrirate preko moje povezave vam bom vedno pomagal če boste imeli kakšna vprašanja)

Vpišete potrebno podatke za registracijo (prave podatke, ker če vpišete napačne ne boste dobili izplačila) pod USA TaxID/SSN pa napišete štiri ničle(0000).

Ko se registrirate se prijavite na strani in levo spodaj kliknete Tickets.

Pod Subject vpišete: VIP+

Pod Message: Hi, my name is (tu vpišete vaše ime) and I really want to publish your ads on my domain

Most of my traffic comes from SEO (search engine) and backlinks. Also, I target people from USA, Canada and Europe

Potem počakate par dni, da dobite status VIP+. Ko ste dobili VIP+ greste na bidtraffic.com se prijavite in levo kliknete JavaScript Feed.

Nato si lahko nastavite vaš oglas barvo in podobne stvari. Jaz nisem nič nastavljal sem pustil vse kot je in skopiral javascript kodo in jo dodal na svojo spletno stran. (Če spletne strani nimate berite naprej če jo pa imate pa enostavno dodajte oglas na primerno mesto.)

Še nekaj dodatnih informacij:

Imejte čim manjši CTR(%) (to lahko vidite pod statistics na bidtraffic.com)

Če ne dela ticket service jih lahko kontaktirate prek icqja. Pod dodaj kontakt vpišete naslednje številke in njim pošljete isto sporočilo kot je navedeno zgoraj. Icq številke:

9337101

242952088

175745180

387628735

628787358

Spletna stran

Za služenje denarja potrebujete svojo spletno stran, če je nimate si enostavno naredite blogger

<http://mag30wn1.blogspot.com/>

Kliknete na zgornji link in desno zgoraj kliknete na ustvari spletni dnevnik.

Potem vpišete potrebne podatke in naslov vašega bloga , najbolje je da za predlogo izberete preprosto , če vam pa ni všeč pa lahko tudi katero drugo.

Ko imate ustvarjen blog vpišete naslov vašega bloga primer(mag30wn1.blogspot.com) in desno zgoraj kliknete oblikuj.

Potem dodate pod glavo nov pripomoček in izberete HTML/JavaScript vpišete ime in javascript kodo ki ste jo dobili na bidtraffic.com

Pri kodi spremenite tole: `_ads_keyword = "tramadol";`

tramadol ponavadi plača največ.

Hitleap

Hitleap je spletna stran, ki avtomatsko obiskuje druge spletne strani vi pa dobite obiske na vaši spletni strani.

Registrirate se tukaj: <http://hitleap.com/by/mag30wn1>

Ko se registrirate se prijavite in desno zgoraj kliknete My Websites potem pa Submit your website.

Vpišete link do vaše spletne strani. Pod How long do you want the visitors to stay on your site? Izberite 10 seconds, ker čas kako dolgo je nekdo na vaši strani ni pomemben.

Pod Up to how many visitors do you want to receive in one hour? Izbere največ.

Potem pa kliknete na Add site.

Ko potrdijo vašo spletno stran vsak dan kliknite zgoraj na Traffic exchange in potem start traffic exchange da dobite obiske na spletni strani.

(v zadnjem času sem prišel do ugotovitve, da če uporabljate hitleap ali kaj podobnega za pridobivanje ogledov mogoče ne dobite izplačila. Zato pridobivajte ogleda na kakšen drug način)

Palringo

Ko imate svojo spletno stran in hitleap lahko pričnete z služenjem denarja.

Zato potrebujete program palringo downloadate si ga tukaj:

<http://www.palringo.com/en/gb/download/>

Ko namestite program se registrirate in prijavite.

Ko se prijavite kliknete Groups in Join a Group

Pod group name vpišete naslednje:

adex, adsense, rapidex, superex

Ko ste se pridružili vsem skupinam greste v skupinski chat in napišite: pm me for exchange ali kaj podobnega za izmenjavo klikov. Ko vas nekdo klikne mu napišite link do vaše spletne strani brez www in http. Pazite da ne boste pisali linkov v skupnem pogovoru ker vas potem lahko kickajo iz skupine. Napišete mu tudi kateri oglas naj klikne in koliko impov naj vam naredi (imp je kolikokrat morate osvežiti spletno stran. Zato je najboljša imeti brskalnik Opera kjer imate autorefresh). Vi pa potem njemu naredite isto oziroma kako pač zahteva.

Ko dobite kakšne klike lahko to spremljate na bidtraffic.com pod Statistics.

Izplačila

Za izplačilo greste na bidtraffic.com in levo spodaj kliknete request payment.

Kot vidite potrebujete pogodbo (W8 form). Downloadajte pogodbo in jo izpolnite ter naložite če imate kakšne probleme ali pa kaj ne veste me lahko kontaktirate na msn/mail/palringo:mag30wn1@hotmail.com.

Skenirati morate tudi vaš osebni dokument in ga naložite.

Ko ste vse to uredili morate downloadati še payment key (če ga še niste prej) in ga shranite nekam na računalnik kjer ga ne boste brisali, ker ga boste morali naložiti ko boste zahtevali izplačilo.

Za izplačilo potem vpišete samo koliko denarja hočete da vam izplačajo (Za izplačilo boste morali počakati 45 dni od datuma zaslužka da bo denar viden pod request payment)

Pod Through which payment system you would like to get paid? Izberete metodo kam vam naj denar nakažejo. Jaz izberem paypal ker imam kreditno kartico in si potem iz paypal-a lahko nakažem denar

na kartico. Če nimate paypala lahko izberete Check in vam pošlejo ček na vaš naslov.

Še dokazi izplačil ki sem jih prejel:
