

# AI-промпт для атмосферных фото товара — без студии и фотографа.

Нужно только:

- фото на телефон (лучше несколько с разных сторон)
- [ChatGPT](#) / Nano Banana (платная подписка не обязательна)
- 3–5 минут

Поможет селлерам и дизайнерам:

- быстро улучшить визуал
- проверить концепции и стили
- выглядеть дороже
- выделиться среди типовых карточек

# Варианты генераций:

## ПРОМПТ:

Use the uploaded reference images as the ONLY source of truth for the product.

### IMPORTANT:

Preserve the exact product design from the reference images:

- exact shape
- proportions
- construction
- stitching
- seams
- silhouette
- materials
- hardware
- colors

- branding
- logo placement
- product geometry
- accessories
- packaging details

Do NOT redesign or reinterpret the product.

Do NOT change product structure.

Do NOT invent new elements.

Maintain product accuracy exactly as shown in the uploaded references.

Create a premium commercial product photoshoot for marketplace product cards.

#### STYLE:

Luxury cinematic product photography.

Professional advertising campaign aesthetic.

High-end editorial lighting.

Photorealistic.

Clean commercial composition.

#### LIGHTING:

Single soft cinematic spotlight.

Controlled shadows.

Premium contrast.

Realistic reflections based on material type.

#### MATERIAL BEHAVIOR:

Preserve realistic material response:

- leather → natural grain and soft reflections

- metal → sharp highlights

- fabric → soft texture

- plastic → controlled glossy reflections

- glass → realistic transparency and refraction

#### OUTPUT:

Generate a series of different premium product photos based on the uploaded references.

Include variations such as:

1. Hero product shot
2. Close-up material details
3. Product in elegant minimal environment
4. Floating product composition
5. Premium packaging/composition shot
6. Lifestyle-inspired luxury composition
7. Dramatic silhouette lighting shot

#### BACKGROUND:

Minimalistic premium backgrounds only.

Luxury commercial aesthetic.  
No clutter.  
No random objects unless relevant.

COMPOSITION:  
Professional marketplace-ready framing.  
Object always clearly visible.  
Balanced negative space.  
Commercial photography styling.

QUALITY:  
Ultra realistic.  
High texture fidelity.  
Professional studio photography look.  
Premium brand presentation.  
Sharp focus.  
Natural shadows.  
8k commercial quality.

IMPORTANT:  
The generated images must look like real premium product photography of the EXACT uploaded product.

⚡ Чтобы достать удачный кадр из коллажа загрузите его в нейросеть и напишите своими словами: «Дай мне кадр из нижнего левого угла, на нем сумка в полете. Сделай в хорошем качестве.»

---

👉 А если потом захочется собрать цельную визуальную систему под бренд/товар — с этим я помогу ❤️
