

## Preparing to Use Google Meet from an iPad

Make sure the Google Meet app is installed on your iPad.

If it is NOT installed:

- **School iPad:** Use Self Service App (school district app store) to install it (shown right)
  - Search "Meet"
  - Find "Google Meet"
  - Click "Install"
  - Click the home button to return to home screen
- **Personal iPad:** Download from Apple iTunes Store

Log in to Google Meet app. This will allow it to open when you need it in Google Classroom.

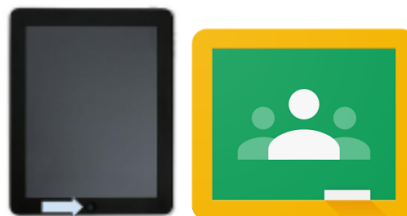

- "Meet" would like access to the Microphone: Click "OK"
- "Meet" would like access to the Camera: Click "OK"
- Sign in: **Student ID Number @isd535.org** (e.g. [9876543@isd535.org](mailto:9876543@isd535.org))
- Password: Ask your teacher

Return to the home screen by clicking the "home" button.

### Open Google Classroom

(You can find the Google Classroom app by using the Self Service app again.)

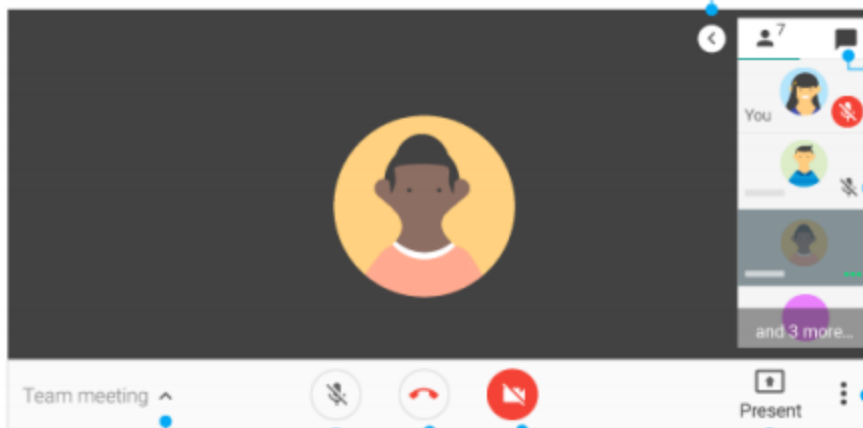

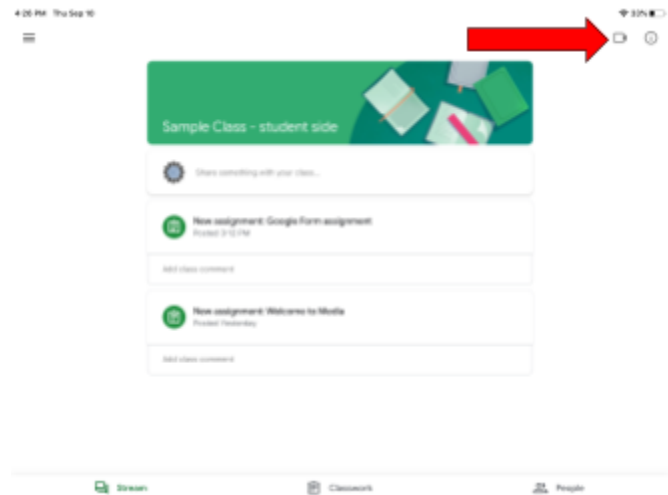

Log in to Google Classroom with the same username and password as Google Meet.

- Sign in: **Student ID Number @isd535.org** (e.g. [9876543@isd535.org](mailto:9876543@isd535.org))
- Password: Ask your teacher

Look for the camera icon on the top right corner. Click on it.

This will take you to your Google Meet.
