

CC WINN LIBRARY NEWS

VOLUME 2 / ISSUE NO. 1

HIGHLIGHTS

Welcome back to a new school year! Over the course of the summer, the library underwent a major renovation in which the carpet flooring, which had been in place for nearly 20 years, was removed and replaced with stained concrete. Nearly 20,000 books were packed; shelves and furniture were moved out, placed in the hallway and finally moved back in. The feat was quite exhaustive, but with the help of custodians, NHS members, and willing family members, the job was completed before the 1st day of school.

Over the last few weeks, the library has had nearly 750 students come by the library to go through our library orientation. The students went over print and digital resources available to them, went on a scavenger hunt in the library and then checked out books.
