VIRTUAL PSYCHOLOGICAL FIRST AID

TO: ALL TEACHERS

PARENTS

1. In order to further strengthen the role of parents and teachers as the education frontline amid COVID-19 pandemic, the Department of Education (DepEd) is conducting a series of Psychosocial Support and Training for parents, teachers, school heads and identified DepEd region and division non-teaching personnel as the opening of School Year 2020-2021 approaches.
2. In connection to this, our school will also conduct a Psychosocial Support Training for parents, teachers to prepare them in monitoring themselves, look after their wellness and enable them to fulfill their respective duties and responsibilities in the education continuity.
3. This activity will be held on September 11, 2020 via google meet.
4. All teachers and parents are highly encouraged to attend the training.
5. For immediate dissemination.
