

The Election and Matilda, Jr.

Rehearsal Schedule

(subject to change)

Each week, you receive an email informing you which cast members are called at what times. Times below represent the full amount of time your student *could* be called. There is a possibility each day that your student will not be called during the designated time, or on that day at all. "All calls" (when all students are called to rehearsal) become more likely as we move further into the rehearsal schedule.
