

Learn With Us: Britannica Schools & ImageQuest

Join us for two webinars to learn more about one of our new digital resource offerings: Britannica ImageQuest! District and AEA staff are invited to join the webinars to learn more about these resources for K-12 students. ***Both sessions will be recorded, so please register even if you are unable to attend in real time so you can get access to the recorded sessions!***

Britannica School (K-12th grade)

Encyclopedia for beginning research, including primary sources, atlases, articles and videos.

Britannica ImageQuest (K-12th grade)

Users can search millions of copyright-free images by keyword, collection, image type and image ratio.
