

Spelling List 16 - B
Vowel-Consonant-E Syllables - "u~e" and "e-e"

Lesson:

1. Some of these words will have the /oo/ sound as in moon but they will be spelled with a "u," a consonant, and then an "e". The "u" is long and the "e" is silent.
2. Some of these words will have the long "e" sound and will be spelled "e," a consonant, and then an "e." The first "e" will be long and the last "e" will be silent.

B = bonus word (+2)

V = vocabulary word - spell the word and write the definition with correct spelling
