

Take the HyperDocs Challenge

With HyperDocs the possibilities for online collaboration are endless. This strategy allows teachers to give real-time feedback to students' work, and allows students to work collaboratively within the same document. Sharing with students and teammates has never been easier.

Begin the Challenge . . .

1. Click on the [SMORE HyperDocs](#) presentation:
 - View the HyperDocs presentation
 - Explore the examples, resources, and links on the SMORE
2. Create a Hyperdoc for your classroom:
 - Use a template provided in the link above
 - Find a Hyperdoc you can use from the resources
 - Start from scratch!

Earn your Credit . . .

Complete the [PDChallenge CEU Form](#), submit either a student document that has been shared with you or one of your own creations.
