

Dàn bài chi tiết Problems - Reason solutions - Effect

Mở bài:

In recent years, it is true that ... has become a broad issue to the general public..... A growing number of individuals today think that

Câu chốt mở bài - Thesis statement:

In the following essay, I will discuss some of the biggest problems/causes associated with (topic) and suggest some possible measures to tackle the situation.

Thân bài đoạn 1:

Let's begin with some problems of.....

The first problem related to (topic) is (Problem 1). The reason for this is that (Giải thích).

In addition, another undeniable problem is that (Problem 2). This is because of the fact that (Giải thích). For example, (Ví dụ).

Thân bài đoạn 2:

However, there are some effective methods to solve the main problems.

In my opinion, the best approach to overcome (topic) is (solution 1). It is often argued that in fact (Giải thích).

Furthermore, another measure should be that (Solution 2). This means that (Giải thích). For instance, (Ví dụ)

Kết bài:

In conclusion, (Topic) has become a crucial part of our lives. It has now been shown that the main causes/ problems related to (topic) are (Cause 1 & 2/ Problem 1 & 2), but the best solutions to overcome that are (Solution 1 & 2). It is expected that this can tackle this problem as soon as it emerges. People should have further considerations on this issue
