

Subject: Help Osmond Community School Save Lives!

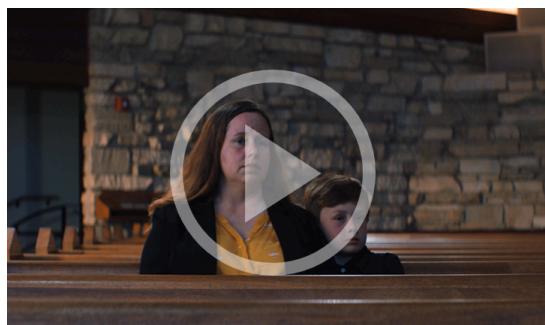

SIGN UP TODAY!

Hello Osmond Community Families!

Our school is participating in the American Heart Association **Kids Heart Challenge on February 15th, 2024!**

Our students will be learning about staying strong in body and mind. We are asking for your help to reach our goal of 100% of our families learning the lifesaving skill of Hands-Only CPR. Please take a moment to watch this video of [5-year-old Phil and his mother, Megan](#). Earlier this year, they saved a life because they watched the Kids Heart Challenge Hands-Only CPR video.

Get started early and be the first at our school to complete Finn's Mission!

- **Register:** <http://www2.heart.org/goto/OsmondCommunitySchool> or download the free "AHA Schools" app.
- **Complete Finn's Mission:** Finn is a heart and stroke survivor! Watch the 2-minute Hands-Only CPR video featuring cardiac arrest survivor, Damar Hamlin, and watch a music video on the warning signs of a stroke (F.A.S.T.).
- **Share with Family & Friends:** Send messages via social media, text messages and/or email.

Thank you for supporting this very important service-learning program and making our community safer!

Students that register before our kickoff on Thursday, February 15th will be entered to win an Avocado Warmie!!

Thank you,
Mary Kuhlmann
