

Cornucopia Debate Motions '25

Motion 1

RESOLVED: that the world should focus on its most immediate problems instead of future ones

Motion 2

RESOLVED: that schools should only teach the works of living creators

Motion 3

RESOLVED: that every city should host public forums for exchanging intellectual ideas

Motion 4

RESOLVED: that every government should have a Department of Predictions

Motion 5

RESOLVED: that if feasible, we should upload the minds of dying patients

Motion 6

RESOLVED: that we would be happier in a world dominated by the Futurist movement

...and more to come
