Laker Learning Buddies

"To teach is to learn twice." Such is the rationale behind our Laker Learning Buddies. Every student is paired with another student, creating a social and a learning relationship. Learning buddies learn together, support each other, and grow together.

- Students are paired 5 years apart, which allows them to progress through WPS together:
    - PreK-3
    - PreK-4
    - Kindergarten
    - 1st grade
    - 2nd grade
    - 3rd grade
    - 4th grade
    - 5th grade
    - 6th grade
    - 7th grade
    - 8th grade
- Teachers maintain buddy lists to ensure that students remain together from year to year, cementing those relationships as the students progress through WPS.
- Throughout the year, buddies work together in various ways, meeting once a month. These visits are extensions of the curriculum, enhancing learning for all students involved.
