E Co. has been working for 20 years as specialists in climate finance development and training to accelerate the pace of climate finance reaching those most vulnerable, in response to climate change mitigation and adaptation needs around the world in developing countries, LCDs and SIDs. We support the eight LLA Principles through our continued and focused efforts in research, project formulation, education and strong relationships with communities, national and subnational governments, institutes, the private sector and climate finance mechanisms such as the GCF. GEF, Adaptation Fund, NAMA Facility, IKI, CIF and others. We design projects from the ground up.

Detailed Commitment Narrative

Please describe in more detail what changes will be made or current practices strengthened to better incentivize or support adaptation that is driven by local stakeholders, to deliver on these principles. Please add rows and additional pages if needed. Note this is voluntary, but highly encouraged.
