

SESSION REPORT

JANUARY 24, 2024

Session has met twice since the last Board meeting.

Communion was served by Intinction in October and December.

Session was part of a group from Trinity that attended a follow-up meeting on Collaborative Ministry at Georgian Shores in October. We had a chance to meet one on one with folks from First United, Markdale and Allenford. One immediate result is that several folks from Markdale have been joining our Thursday evening Bible Study.

The Volunteer Worship Roster is in place.

Plans for Advent and Christmas were made, carried out and evaluated.

Reverend Bill offered Advent studies with the Bible Bag Lunch and Baby Jesus in my Bible.

Pastoral care initiatives were discussed. Session joined with the Stewards in an every family contact named Connecting Trinity. The results of those calls are being collated by Marnie Mc Donough and the results will be assessed.

Several initiatives are under discussion for pastoral care, new programs and community involvement initiatives.

Lenten programs are being planned. It is hoped we will share Easter celebrations with other area churches again this year. The first event will be a Pancake Supper on Shrove Tuesday, February 13th, co-ordinated by Nancy and Lloyd Mohr.

Respectfully submitted by Jill Blair (Session Chair)
