PRICING

- **Prices are flexible**, so they go around the ones listed above.
- **Private commissions** come with extra charge, 33 percent.
- Specify if you want any **additional feature**: X-ray, extra panel. There will be small additional charges, *of course*.

EMAILING ME and COMMISSION DETAILS

- Please **give key details** of what you want me to draw, explain what you'd like to see, give me references if you have any you'd like me to use. But remember to give me some artistic space for me to input some of my vision in the piece.
- If you want a **highly detailed background: be specific.** Be aware that the price may be higher based on complexity.
- **Real people** commissions are allowed **BUT** I don't draw/paint realism. Be aware of my style and my capabilities.

HOW DO I WORK

- **I'll update you** through the phases of the artwork: **sketch, linework/inks, base color and then finished piece.** Feel free to ask me to change what you don't find pleasing, but be reasonable. I won't accept big changes becuz it's time consuming.
- I'm ok with drawing most of things. **Very open minded.** BUT... I don't accept scat, gore, torturing or things that may create a situation of fear or suffering (humiliation fetish/mindbreak/BDSM are ok). Overall I'm a man of pleasure and joy, that's my *ultimate goal*.

The **most important** part. Start counting the green ones.

- I'm only accepting payment through **PayPal**, *for now*.
- Also, **no refunds**. Once payment is sent, we'll go through the whole thing. No excuses, no sob stories, no safe word. Yeah, baby.
- **Do not** attach any weird/lewd/naughty/sexy/horny text to payment, just "freelance artwork". And be sure you're sending **USD**.

For any other question you want to ask, write it on the e-mail along with the commission details.
