HOW TO BE AWESOME AT EDCAMP!

START A CONVERSATION

LISTEN TO YOUR FEET

A session can begin with an idea...
a question...
a problem...
a doubt...
an opinion...
a story.

If you are in a session that is not interesting **LEAVE!** EdCamp is about your learning, not someone's **EGO!**

You do **NOT** need to be 'The Expert,' just someone who wants to learn!

Too much email!!!!!!
