Welcome to Haughton Middle School

The administrators, faculty, and staff would like to welcome you to Haughton Middle School. We are looking forward to a successful school year. Our goal is to create a safe and educational environment in which our students can achieve their goals and learn. We are providing this handbook to assure an easy transition for new students entering HMS as well as for returning students and parents.

Please read this handbook carefully and retain it for future questions you may have regarding rules, regulations, and school policy. During annual student registration, you will sign in OnCourse indicating that you have read and understand the rules and procedures at HMS. The HMS administration has the authority to amend this handbook to ensure a safe and orderly learning environment if necessary.

Mission Statement

Our mission is to provide a rigorous education to ensure our students become lifelong learners and productive citizens.

Amendments

Haughton Middle School administration reserves the right to make changes and amendments to this handbook as necessary. As these changes are made, we will attempt to keep an updated version on our website at all times.

Bossier Parish School Board Student Handbook

Please refer to the Bossier Parish Student Handbook for all items not addressed by the Haughton Middle School Handbook.

Arrival and Dismissal Procedures

Students should arrive on time and be prepared to learn. Students should be respectful of teachers, administrators, staff, and other students. Keep your hands and feet to yourself. Follow all rules, including: No Pushing, No Shoving, No Running, No Profanity, No Obscene Gestures or Conversation.

Arrival: Students should not arrive before 7:10 AM. All students must be dropped off in the designated drop-off area. Students who eat breakfast go **directly** to the cafeteria. All other students will report directly to their first period class. All students should be at school by 7:30 AM. Students arriving after 7:33 AM must be signed in by a parent. Any student who is not in class by the tardy bell will receive an AM Tardy.

Dismissal: Students will go **directly** to their pick up areas after the 2:35 PM bell. Students will be picked up in the designated pick-up area only. Bus riders must go directly to their bus. Any student attending a school practice will go to the team meeting area immediately. Failure to follow these rules may lead to loss of privileges and disciplinary action.

Parent procedure for [Car Line](#) in the afternoon:

- **Parents may not begin lining up before 2:00 each day.**
- Please pull forward as far as possible to load as many vehicles as possible at one time.
- Make sure your son/daughter looks for you as they exit the building because the sooner they get to the car, the sooner you may leave too.
- Follow directions of staff on duty; be aware of students and staff moving between vehicles while loading.
- If you do not have your child, please pull around the parking lot to get into the first lane closest to the building in order to keep traffic flowing. **No students will be loaded into cars once cars are moving.**
- Once the buses begin leaving, **no** car will be allowed to leave until **all** buses have left.

Check-In and Checkout Procedures

Check In: All tardiness without proper documentation (original doctor excuse, etc.) is unexcused, but it is important for students to be checked into school by an adult in order for make-up work to be assigned. Any student signed in by a parent/guardian will be allowed to make up assignments according to BPSB policy. If a student arrives to school after 7:30, a parent **MUST** bring the student into the office and sign them in. Students **MUST** have their ID to scan when checking in so they can be counted present to school for the day.

Check Out: Students are not allowed to leave the school premises without proper authorization from the office.

Parents/Guardians needing to check students out during the school day must report to the office and sign the student out. Only parents, guardians, and persons authorized on the student's registration form will be allowed to check a student out of school if a parent is unavailable. **PICTURE IDENTIFICATION IS REQUIRED TO CHECK A CHILD OUT OF SCHOOL.** Students will not be called from class until the parent/guardian arrives to the office. Students are not allowed to be checked out over the phone. Students who need to check out for illness must report to the Front Office to see the nurse and may call home. If the checkout is not due to illness, students can use the teacher phone in the classroom to call home.

There will be no check outs during lunch shifts or after 2:05 PM.

Lunch Shifts 1st Lunch 10:31-10:56 2nd Lunch 11:05-11:30 3rd Lunch 11:44-12:09

Attendance and Absences

In order to receive credit for courses necessary for promotion, all students must be in attendance for a minimum of 160 days. A student who misses more than 20 days in a school year is not allowed to be promoted to the next grade. It is the law in the state of Louisiana that personal illness (as verified by a doctor), death in the family (with a copy of obituary or funeral program), or extenuating circumstances (as agreed to by the principal) are the only basis for excusing an absence. A written note from the parent/guardian explaining the absence is required upon the student's return to school. All doctor's notes must be received within five (5) days of return to school. Students will be responsible for all classwork assigned during absences. Upon receipt of the fifth unexcused absence or fifth unexcused tardy, the student will be referred to the Bossier/Webster Parish Truancy Assessment and Service Center (TASC). Students must attend for more than half of the school day in order to participate in any extracurricular activity/practice/game at the end of that day.

Tardiness

All students should be at school by 7:30 AM. Students arriving after 7:30 AM must report to the office and be signed in by a parent. Any student who is not in class by the tardy bell will receive a tardy. Tardies between classes are kept per quarter and reset to zero at the beginning of the next quarter. Tardies will be entered into OnCourse by the teacher and are cumulative across the school day. If students are more than 5 minutes late, and do not have a note from an administrator or faculty/staff member, teachers may write a D-slip or referral for skipping class. Tardiness to class will be addressed by the teacher using the following policy:

Tardies 1-3-----Warnings from teacher

Tardy 4-----Call to parent

Tardies 5-6-----Parent Contact & One day After School Detention Assigned

Tardies 7-8-----Parent Contact & Two days After School Detention Assigned

Tardy 9 & All Subsequent Tardies---Parent Contact & Three days After School Detention Assigned

Assignment Requests and Make Up Work

After an absence, students should return to school with a note from a parent that includes the date(s) absent and excuse. Teachers may assist with assignments, but it is the student's responsibility to get any missed assignments and complete them within three days. The best way for a student or parent to get missed assignments is through OnCourse or email by sending a request for any missed work indicating date(s) absent and an excuse to each of the student's teachers. This same policy

applies to students who are suspended. Suspended students may not earn full credit on missed assignments, but should not receive less than 75% credit of work completed. In the event a student will be absent for more than three consecutive days, parents may contact the school office at 549-5560 to obtain assignments.

Bus Information and Procedures

School bus guidelines have been adopted by the Bossier Parish School Board in order to provide safe transportation to and from school. It is a **privilege**, not a right, to ride Bossier Parish school buses. All Board policies are strictly enforced on school buses. The bus operator, together with the principal, assumes full responsibility for the discipline of students who ride the bus. Should an infraction occur, the bus operator will notify the principal in writing. The Principal has the sole authority to determine consequences, if warranted.

The responsibility for supervision of students begins at the bus stop in the morning and ends when students exit buses at the end of the day. On-time delivery and student safety are the primary goals of each bus operator.

When riding the school bus, every student will:

1. Follow the Bus Transportation rules as directed by the bus operator and the student's principal.
2. Report to the assigned bus stop at least 5 minutes before the scheduled arrival time. Please note that time does not permit buses to return to pick up students who have missed the bus.
3. Not bring on the bus objects that are too large to be held in the student's lap or to fit under the seat (including large band instruments, projects, and other large objects).
4. Assist the bus operator in maintaining a clean and sanitary bus; students who damage/destroy buses are appropriately disciplined/assessed for damages.
5. Not exit the bus at a different stop from their assigned stop without written authorization from the principal. The note must be presented to the operator at the start of the afternoon run.
6. Remain seated with backs against the seat, backpacks in lap, facing forward in the student's permanently assigned seat, while the bus is in motion and during stops for other students. The bus operator is responsible for seat assignments.
7. Only talk quietly to your neighbor. Vulgar language and bullying of other students will not be tolerated.
8. Adhere to the dress code for each school.
9. Not eat on the bus. (Students may carry water on the bus in plastic bottles)
10. Not extend arms out of windows or doors; not throw objects out of windows.

Note: A violation of a bus rule may result in loss of bus privilege and or disciplinary action. All buses are equipped with video cameras that constantly monitor student passengers. Bus operators are permitted to make reasonable rules for the safe transportation of students. See Transportation website for additional bus safety tips.

See the Transportation page at www.bossierschools.org for additional bus safety tips.

If it is necessary for you to ride a bus other than the one you are assigned, you must bring a note from your parent or guardian stating the following information:

- The name of the student you are riding with
- The address of the student whose home you are going to
- The bus number of that student
- Parent or guardian signature

A note is also required from a parent or guardian giving permission for a student to ride with them. Written permission must be on file from both parents/guardians.

Students will follow this procedure:

- Students will turn in their bus notes to the office before school or during the first hour. Students will pick up signed notes in the office during lunch. In order to timely process bus change notes, they must be turned in no later than the end of first hour. **Notes that are not processed due to late turn in to the office will result in the student riding their regular bus.**

- Bus changes **MUST** be requested in writing with a parent signature. We cannot process change requests over the phone.
- Please do not email notes for bus changes. Emails can be overlooked and not processed in a timely manner.
- Students will give the note to the bus driver when they get on the bus.

Please be aware that due to some overcrowding, there may be some buses that cannot accommodate any extra students and will not be allowed to take students who are not assigned to those buses for safety reasons. **Students may be refused permission to ride other buses as deemed necessary by school administrators.** Students with behavioral issues on the bus will not be allowed to ride another bus nor have students ride home with them.

After School Activities

Haughton Middle School will provide supervision for 15 minutes after the ending time for all school-sponsored events such as dances, athletic events and spirit groups. For example, if a dance ends at 6:00 PM, supervision ends at 6:15 PM. Parents should provide rides for students by 7:15 PM for football games and 6:00 PM for boys and girls basketball games. Failure to pick up students within 15 minutes may result in the student being barred from attending future events. The administration will make this determination for repeat offenders.

OnCourse/Google Classroom/School App

Parents can keep up with their child's academic performance by using OnCourse. Please create an OnCourse account and check it regularly. If you need directions setting up an account, go to www.haughtonmiddle.com and click on the Parent's Tab. Teacher information can also be found on our school website. Student assignments can be found on either OnCourse Classroom or Google Classroom. Teachers will send an information sheet with codes to access online assignments. HMS will be using an online School App to disseminate information to the community. Information to download and sign up for the School App will be available at our school website after July 1, 2024.

Conferences

Parents may schedule conferences with the teachers or administrators by calling the office (549-5560) during school hours. If a parent needs to speak with an individual teacher about a classroom issue, your message will be forwarded to that teacher. If your child is failing multiple subject areas, please contact the school counselor for assistance.

School Counselors

The school counselors, Mrs. Addison, Mrs. Chestnut, and Mrs. Voigt, are available to talk with students and parents about concerns they may have. Mrs. Addison's number is 549-5571, Mrs. Chestnut's number is 549-5569, and Mrs. Voigt's number is 549-5570. The school counselors advise students on matters that impact their lives both at school and in the community. Parents should call the counselor when they would like to schedule a teacher – parent conference. The conferences are usually scheduled from 7:15 – 7:30 AM, 2:45 – 3:15 PM, or during the teacher's planning period. Parents may also call the counselor when they would like to get information about their child's performance in school.

Homework

Homework is a necessary part of a student's educational experience. It is essential that everyone consider their part in this important aspect of student success. The HMS administration will provide policies and procedures relating to homework to the faculty, students, and parents. Homework completion is essential for a student's academic success. Homework includes written assignments, studying, practice, and projects. Teachers are to utilize homework as a meaningful tool and are expected to provide feedback on homework assignments. Classwork may be assigned for grade recovery as homework. Parents are asked to respond to the school's request for support in getting homework completed and review assignments. Students are

expected to complete assignments by the due date per the directions given by the teacher. Students who do not complete their homework or classwork may be assigned Study Hall to complete missing work.

Uniform Policy and Dress Code

According to Act 414, the Board shall authorize a mandatory uniform dress code, which may include school uniforms. All Bossier Parish Schools have adopted mandatory uniforms beginning fall of 1999. Any student enrolling after the first week of school must watch the Handbook Video. During the first week of school, students are warned about dress code violations. After the first week, Dress Code Violations will be issued as outlined below.

Minor uniform violations will be addressed with Dress Code Violations. Dress Code Violations are stored and restarted each quarter. When given a Dress Code Violation, the student must wear a Dress Code Violation Sticker on the date of infraction. Parents with an email address in OnCourse will receive a notification alerting you that your child has received a dress code violation. Dress Code Violations are sequential, and disciplinary action is progressive as stated below:

Dress Code Violation 1-4-----Warnings (Parent contact will be via automatic email per violation.)

Dress Code Violation 5-6-----One Day of Lunch Detention per violation

Dress Code Violation 7-8-----One Day of After School Detention per violation

Dress Code Violation 9 and subsequent-----Referral per violation

NOTE: This is only a guide for students who are in noncompliance with the HMS Dress Code. Students who are willfully out of uniform and disobedient may receive a Disciplinary Referral on their first violation depending on the situation. Detention

There are three types of Detention utilized at HMS for disciplinary consequences for students: Lunch Detention, After School Detention, and Saturday Detention.

- Lunch Detention is a disciplinary action typically assigned for minor disciplinary infractions, Cafeteria issues, and as a part of the D-Slip policy. Students assigned to Lunch Detention are to sit at the assigned table upon entering the Cafeteria for lunch. Students are not allowed to talk to anyone except duty teachers/administrators. Students are not allowed to participate in Concession Sales nor go outside for Break Time at the end of the lunch period. Students will be allowed to get a tray from the lunch line once all other students have received their lunch. Students who do not report to Lunch Detention will either be assigned additional Lunch Detention, After School Detention, or GASP.
- After School Detention is the primary disciplinary action for students who routinely break the tardy policy, repeatedly receive uniform violations, or for major rule violations as an alternative to Saturday Detention, GASP, or suspension. It is preferred to more severe consequences because students do not miss classroom instruction from their classroom teacher. If assigned, students are to report to After School Detention from 2:35-3:35 on their assigned day. **There is no school provided transportation for After School Detention, thus parents will need to arrange transportation. Students are not allowed to walk home from After School Detention. Parents will be notified in advance of student placement in After School Detention.** Failure to report to detention will result in Saturday Detention, GASP, or suspension from school. If a student is assigned detention on the day of an extracurricular activity or sports practice, they must complete the detention before participating in the extracurricular activity, practice, or game.
- Saturday Detention is a disciplinary action for students who break major rules and is an alternative to GASP and/or suspension from school. Saturday Detention is from 8:00am to 12:00 noon on select Saturdays during the school year. Students will report to the Front Office and be ready to participate in classroom/written activities and campus beautification activities during that time. School dress code is enforced and lunch will not be provided. Parents will be contacted in advance of students being assigned to Saturday Detention. Transportation before and after Saturday Detention is the responsibility of the parent. Students **MUST** be picked up at the Front Office at 12:00 noon.

GASP (Guided Alternative to Suspension Program)

The purpose of GASP is to reduce the number of suspensions at Haughton Middle School. As an alternative to suspension, a student who violates school rules may be assigned GASP. GASP is a very structured alternative classroom setting that allows students to complete classwork in a classroom setting during the normal school day. Students assigned to GASP must report to the cafeteria as soon as they get to school, complete academic work in silence, write any questions to the GASP director, eat alone at lunch, receive two scheduled restroom breaks, and are responsible for keeping their area of the GASP room clean. If a student causes a disruption in GASP, he or she will be **suspended** from school. **Any student assigned GASP, suspended, or expelled may not attend games or after school events or participate in games or practices on days they are in GASP, suspended, or expelled. Please see Bossier Parish School System Handbook for information about Out-of-School Suspension and Expulsion. IN ADDITION, ANY STUDENT SUSPENDED FROM SCHOOL MAY NOT PARTICIPATE IN ANY**

HMS EVENT FOR THE REST OF THE SEMESTER IN WHICH THEY ARE SUSPENDED OR FOR THREE MONTHS (WHICHEVER IS GREATER).

Website, App, and Communication

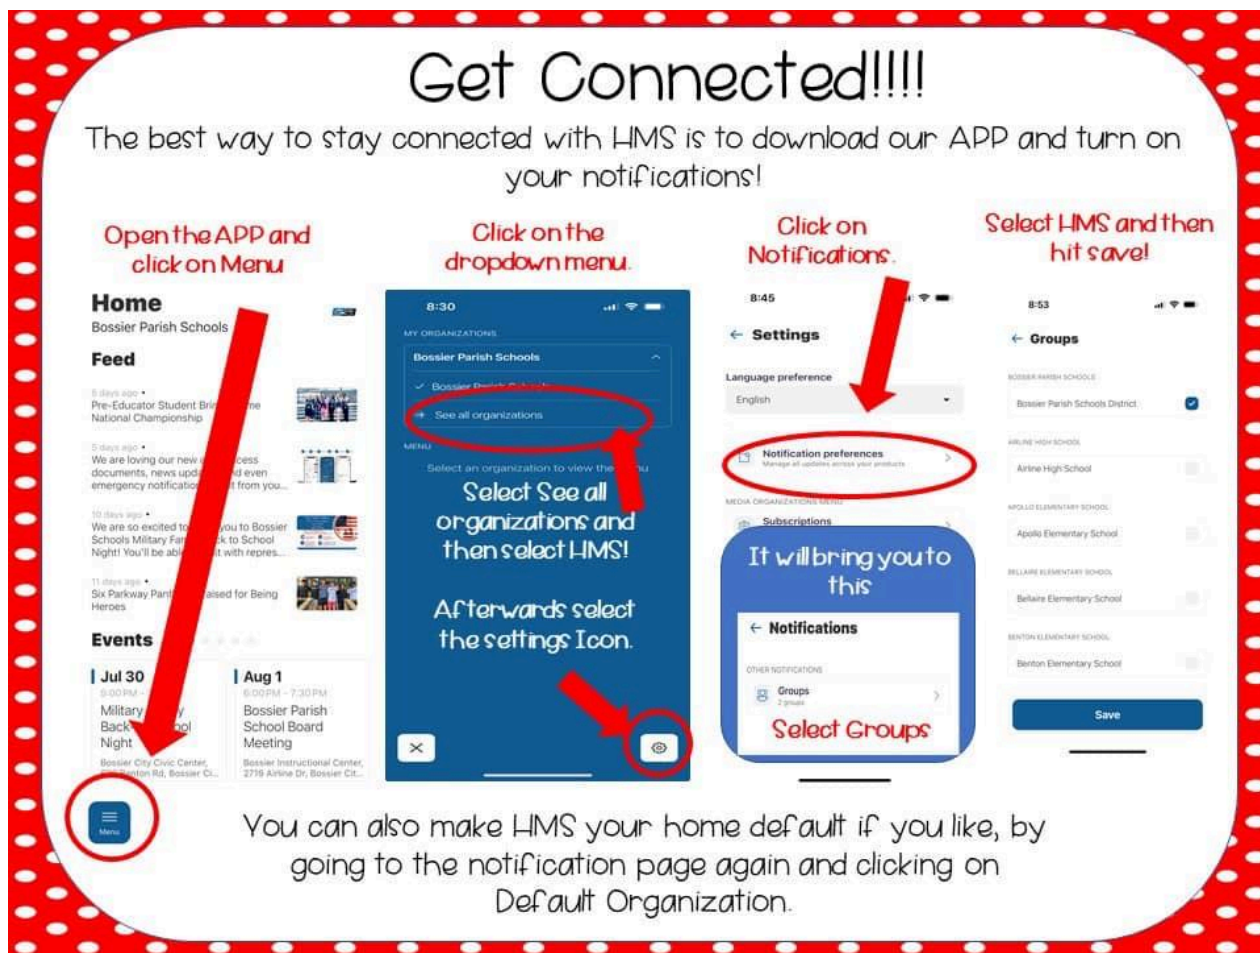

Bossier Parish has a parish app that contains vital information. Schools will use the app to communicate with parents. We will no longer use Remind, Class Dojo, or any other communication app. This includes facebook messenger. Our facebook page is to share information and show off your children. Please do not attempt to contact HMS faculty or administration about school issues through facebook. School personnel will not respond through social media via messenger. Each faculty member is supplied a school email for you to use. All emails follow the same design. Firstname.Lastname@BossierSchools.org. Our faculty should respond within 24 hours.

Our app will also notify you when your child's bus is late, any announcements from your school or your parish, and you have our calendar available for you to view. With the new app, you can access documents, events, news updates, and even emergency notifications.

Haughton Middle School also has a [website](#) and a facebook page. Our school website and facebook page are connected to our app as well.

Haughton Middle School Communication Expectations

At HMS, we strive to have open communication with our parents and community. Our school utilizes many tools to ensure we are communicating effectively.

Email

Our parish has provided all employees with a Bossier parish email address. Emailing our employees for more information, concerns, praises, or needs is a great way to get in touch with us. Our email addresses all follow the same template: Firstname.Lastname@BossierSchools.org. HMS strives to return emails within 24 hours. This does not include weekends or holidays.

Phone Calls

All teachers and administrators have a school number you can utilize. Our teachers generally have their phones turned off unless it is their planning period. You are welcome to leave a voicemail. Our teachers are asked to return your call within 24 hours. This does not include weekends or holidays.

Bossier Parish App & Edurooms

Our Bossier Parish App is new to us, but HMS has embraced it. HMS pushes out information on the live feed portion of our App almost daily. We share pictures, upcoming events, announcements, and Buccaneer Business. We also have our school calendar linked to ensure parents are aware of events.

Eduroom is part of the App. Teachers are able to push information about their classes out in Edurooms. Teachers can also message parents as well from this tool. Teachers are asked to respond within 24 hours. This does not include weekends or holidays. Most communication between parents and educators will be between 7 am and 3:30 pm.

HMS Facebook Page

Our school utilizes our facebook page often to show off the accomplishments of our students. Often you can view our students enjoying HMS or learn about upcoming events. This is a positive page and unnecessary comments will be removed. Our social media page is to promote the fun our students are having. We do NOT use this as a communication tool to talk about school issues, individual student issues, or concerns. For those matters, please email or call the appropriate person. Teachers and administrators are unable to answer questions through facebook messenger. This includes their personal facebook accounts.

Extracurricular Events

Please remember that many of our teachers and staff are also parents to school aged children. We ask that you are mindful of this when you see them at extracurricular events. They love to talk about their students; however, please allow them to be present for their own children when outside of normal school working hours. Additionally it is difficult to ensure confidentiality when talking in public areas.

Positive Behavior Interventions and Support

Positive Behavior Interventions and Support is a program supported by the Louisiana Department of Education and Bossier Parish Schools to promote and maximize academic achievement and behavioral competence. With PBIS, we implement school-wide strategies for helping all students achieve important social and learning goals. We know that when good behavior and good teaching come together, our students will excel in their learning. Students are expected to follow our Buccaneer CODE which is courteous, organized, dedicated, and efficient. All students are part of PBIS and receive instruction pertaining to school safety and procedures. HMS also utilizes counselors and teachers in the program to serve as Check-In, Check-Out Coaches for students with academic or disciplinary issues. Some students are placed in Tier II and Tier III for more intensive interventions as determined by the school administrators, counselors, and teachers as part of the PBIS Team.

PBIS Rewards

One of the best aspects of PBIS is the positive rewards for students and teachers who are displaying Buccaneer Behaviors. Teachers and students displaying Buccaneer Behaviors are given CODE Cash which list: the student's name, teacher name, and the reason they are giving the CODE Cash. The CODE Cash can then be used in various ways during the school year (school store, prize drawings, etc...).

Behaving Bucs

Each quarter, students who have not been placed in detention–lunch, after school, or Saturday–(from receiving 3 or more D-Slips, 5 or more tardies between classes, or receiving 6 or more dress code violations), GASP, suspended, or received a Discipline Referral AND have 5 or less unexcused days absent will be recognized and rewarded as Behaving Bucs as outlined below:

- Each quarter, Behaving Bucs will be allowed to attend the Behaving Buc Event.

- Students who are Behaving Bucs for an entire fall semester (1st and 2nd quarters), do not owe any school or Library fees, and no more than 9.5 unexcused days absent will be allowed to participate in a reward activity. However, students may be assessed a fee to cover charges incurred by the school for the event.
- Students who are Behaving Bucs for an entire spring semester (3rd and 4th quarters), do not owe any school or Library fees, and no more than 9.5 unexcused days absent will be allowed to participate in a reward activity. Students are only to be in halls during class changes. While changing classes, students are to continue moving toward their destination. Students are not to use time between classes to stop and visit with friends. Students should not be in halls that they do not have classes in unless they have permission to be there from a faculty member. Students should make every effort to keep traffic flowing smoothly during class changes. Students are to walk on the right side of the hall. Loud talking, yelling, and causing disruption to traffic flow are not allowed. Violation of these rules will result in disciplinary action. When students need to leave class during instructional time for any reason, they will need to sign out with our new digital E-Hall pass system.

E-Hall Pass

In an effort to maximize instructional time, we will continue to use the E-Hall Pass system this year. Students will digitally request a hall pass from the teacher to leave the classroom. Once digital permission is granted, students may leave to go to their requested location. Students' time out of class will be tracked via the E- Hall Pass system. Students identified to be out of class excessively will be subject to disciplinary consequences such as After School Detention and parents will be contacted.

Bullying

Haughton Middle School has a NO bullying policy. We take bullying very seriously whether it is verbal, physical, or cyber bullying. We ask any person being bullied or any student aware of bullying to report this activity to school personnel immediately. Your name will be kept confidential. Our goal is to have a safe, secure, and bully-free campus and community. Students are prohibited from making threats toward students, administrators, school board members, other school board employees, and/or school property.

Students who bully other students are subject to disciplinary action.

Act 861, enacted during the 2012 Louisiana Legislative Session, requires that all school districts in the state adopt an official policy prohibiting bullying of students while on school property, at a school sponsored or school-related activity or event, on a school bus or van, at any designated school bus stop, and in any other school or private vehicle used to transport students to and from schools, or any school-sponsored activity or event.

The Act defines bullying as any pattern of obscene gestures; written, electronic, or verbal communications that threaten harm; taunting; malicious teasing; physical acts, not limited to hitting, kicking, pushing, or damaging personal property; and repeatedly shunning or excluding students from activities.

School employees are required to undergo at least four hours of training on how to detect and curb bullying, including the relationship between suicide risk factors and bullying. In addition, the law requires teachers and other school staff to utilize a variety of prevention and intervention tools and resources to create environments of safety, respect, and expectations of appropriate behavior.

Under the new law, school officials who receive a complaint of bullying are required to verbally report the allegation to the principal the day of the incident and in writing within two days of the incident. The principal is required to notify the students' parents and launch an investigation within one school day and complete the investigation within ten days.

The Louisiana Department of Education developed a Bullying Prevention Toolkit of resources that are designed to assist school districts with their efforts to effectively address bullying in schools and all components of Act 861.

Gossiping

Gossiping is an extension of bullying. Any student who is involved in spreading information that is harmful or hurtful about someone will be disciplined accordingly.

School Sponsored Trips, Special Activities, and Events

Students who have maintained good attendance (no more than 5 unexcused absences in current quarter), exhibit good behavior, and have not been suspended from school during the current semester OR assigned detention (including lunch detention, after school detention, or Saturday detention) and/or GASP for the two weeks prior to the field trip or event will be allowed to participate on the field trip or event. Some trips, especially out-of-town trips, may have special rules and more rigorous guidelines designed by the trip sponsor and approved by the administration (please read all permission slips carefully and make a copy for your records). **Any student who owes fees to HMS will not be allowed to attend field trips until those fees are settled with our front office.** Any student who is in academic jeopardy, which can include current D's and F's in a

subject or course grade, and missing assignments can be prohibited from attending field trips until those subject areas are clear of failure. Regular attendance (as defined by the administration) is required for students to attend trips. All school rules are in effect while on field trips with the school.

Student Messages

Messages **will not** be taken for students during school hours. In the case of an **emergency**, please contact the school office.

Visitors and Conferences

We encourage parents to visit our school, attend your child's programs and sporting events, and become an active part of our school community. All classroom visits must have principal approval and should be prescheduled. These visits should be purposeful and planned. **All visitors must sign in at the office.** All teacher conferences should be scheduled through the counselor's office or through individual teachers. Conferences with teachers should be arranged before school, after school, or during the teacher's planning time.

Deliveries to School/Items Dropped off by Parents

The school cannot and will not accept commercial deliveries to the school. This is especially true in regard to flowers and gifts. The front office will not sign for, nor accept, any items for delivery to the school. Parents and acquaintances are NOT to bring items to school for delivery (including special food and drinks).
