

# Asbury Park / Jersey Shore Plura Community Bungalow Event **ADDITIONAL INFORMATION**

## ACCESSIBILITY

The Bungalow Hotel should be accessible to guests with different mobility needs but please check with the hotel for any specific accommodations. In the event that we cannot make proper accommodations, we will work with you to plan the next event so that you can participate 😊

## COST/FOOD/DRINK

This is a free event. The Bungalow Hotel has a bar with drinks but no food. You will purchase your own drinks. Note the bar is *not* a **full** bar. They have beer, wine, and pre-mixed drinks. If your budget allows, we hope that you will purchase at least one item and please tip the bartenders. We want to be on good terms with the venue so we can continue hosting events there 😊 There will **not** be food available so please do not arrive hungry. You are welcome to grab food at Pier Village before the event. We recommend Mogo for Korean fusion tacos!

## PARKING

There is street parking in/around Pier Village. From May - September you must pay for parking. Pay using the Flowbird app or street kiosks. Be sure to carefully check all parking signs to ensure you are parked legally.
