eTwinning: Enriching Symbolism

Rites of passage: we invent a new one!

Check list information PPT

	Introduction slide: 'Rites of passage' and your names
	Situate your rite of passage somewhere in life Birth – child to adult – marriage - death
	Situate your rite of passage somewhere in the world Europa – Asia – N-America – S-America - Africa
	Give your rite of passage a suitable name
	Describe your rite of passage
	Where will it be done? (garden/house/party/school/…)
	Who needs to do things during this rite of passage? (family/person in passage/strangers/…)
	What will be done with the object? (be precise!)
	What's the symbolic value of the object or the ritual?
	Make sure you have a moodboard of the ritual. Make sure we understand the complete story by using pictures that make the setting clear.
	Final slide needs to add up to the complete presentation. Make sure it's a correct final slide that suits the rite of passage.

Check list how to make a PPT

	Text: 'less is more' (no full sentences!)
	On each slide a picture that suits the idea of that slide
	Size of the pictures fit the slide and are clear
	Background colours are a good contrast to the text
	Animation is ok as long as it is uniform and not chaotic
	Titles are essential
	Text is big enough, no small letters
