

Production Tickets

Home and Away

Thursday 7 September 7pm

Dear Whānau,

Our team production night show will be on **Thursday 7 September at 7pm in our school hall**. The show is called Home and Away and portrays the life story of Euphrasie Barbier, our school foundress. This will form part of our School Centenary celebrations. Please be aware that your child will perform in the Production again on Friday 8 September during the school day. However the Friday performance will be for the rest of the school and for our Centenary guests only.

Tickets for our Thursday night show cost \$5 per seat. Pre-school age children can attend free of charge if they sit on a parent's lap. Please indicate below how many tickets you wish to reserve and include payment. Tickets will be sent home on Friday 1st September. **Please note: Your Year 5 / 6 child does NOT need to purchase a ticket, as he/she will be part of the show.**

Our tamariki have been working hard to learn their songs, dances and acting parts as well as producing art work. We are really looking forward to them sharing this special story through their performances.

Many thanks and blessings

Kerri Egelmeer, Mairéad Gallagher, Kelly McArthur, Tricia Kenny
