- **Miscellaneous:** Stampin' Dimensionals (104430); Stampin' Seal Adhesive (152813); Glue Dots (103683); Multipurpose Liquid Glue (110755); Polished Pink Open Weave Ribbon (155714); Round & Square Brads (155570); Polished Pink Blends (155520); Gray Granite Blends (154886); Loose flower flourishes (155808)

Measurements:

- Polished Pink – 6 x 8 ½
- Basic White – 5/8 x 1 ¾, scrap for bunny
- Flowers & More DSP – (6) 1 7/8 x 1 7/8

Instructions:

1. Score the polished pink on the 8 ½ inch side at 2, 4, 6, 8.
2. Score on the 6-inch side at 2 and 4.
3. Fold and burnish on all the score lines.
4. Cut up to the first score line on both 8 ½ inch sides.
5. Remove the ½ inch rectangle on the small fold. Do that on both sides leave the rectangle in the middle for adhesive.
6. Adhere the DSP on the middle 4 squares. Also adhere to the front top and back top of the box.
7. Adhere the tab to the back of the box. Fold up the bottom and adhere. Making sure the seams are at the back of the box.
8. Fold in the 2 side of the top of the box, (they don't have the DSP).
9. Poke a hole in the very top of the front of the box, do the same on the back piece. (These do have the DSP). Put a square brad in the holes so the progs are in the back.
10. Tie a small bow and with a glue dot adhere to the brad.
11. Stamp the sentiment and punch the right end of the cardstock. Using a dimensional adhere under the ribbon.
12. Stamp the bunny and punch out with the bunny punch. Color as shown using the light of both colors.
13. Adhere small Loose Flower Flourish with a glue dot under bunny ear.
14. Adhere to the front bottom of the box with dimensionals.
