Subject: Launch Profitable E-Games Business with Zero Design Skills

Hi there

Tomorrow, my friend Jer is launching something incredible that lets you tap into a massive, evergreen global market with huge demand.

Canva Kids Game PLR - It's your all-in-one toolkit for launching a profitable digital educational game business, even if you have zero design experience.

Jer will also share a case study and an untapped marketplace with laser-targeted buyers where you can sell your games.

Here's a sneak peek of what's inside:

- **Ready-to-Sell Games:** Captivate kids with fun and educational games that parents and teachers will love.
- **Easy Customization:** Use Canva's intuitive tools to personalize each game with zero design skills needed.
- **Private Label Rights:** Rebrand and sell the games as your own, keeping 100% of the profits.
- **Complete Marketing Package:** Launch confidently with ready-to-use marketing materials.
- **Case Study & Marketplace Insights:** Learn where to find eager buyers in a niche market.

And since the children's market is evergreen, buyers are a thing of the past. There are always teachers, educators, and parents who are hungrily seeking educational resources for their young ones..

Keep an eye on your email inbox. I'll send you an update once it goes live!

All the best

Launch Day

Subject: Re:Launch Profitable E-Games Business with Zero Design Skills

Hi there,

Yesterday, I told you about the massive demand for digital educational games. Parents, teachers, and educators are craving interactive learning resources for their little ones.

And today, you have the opportunity to tap into this massive market with ZERO design skills!

My friend Jer has just officially opened the doors to Canva Kids Game with PLR – you get ready-to-sell interactive, dynamic, and customizable children's educational games with over 300 quiz questions in various categories. All games are accompanied by marketing resources such as game covers, game boxes, storybooks, **Plus a case study that reveals how to quickly profit with these games in an untapped marketplace with active laser targeted buyers!**

Here's What You'll Get with Canva Kids Game PLR:

- **Ready-to-Sell Games:** Engage kids with captivating, educational games that parents and teachers will love.
- **Simple Customization:** Easily personalize each game using Canva's user-friendly tools – no design skills required.
- **Private Label Rights:** Rebrand and sell these games as your own, keeping 100% of the profits.
- **Complete Marketing Package:** Launch confidently with professionally designed marketing materials.
- **Case Study & Niche Market Insights:** Discover where to find eager buyers in a niche market.
- **The children's educational market is booming,** and the demand for quality resources is higher than ever. This is your golden opportunity to tap into this thriving market.

The children's educational market is booming, and the demand for quality resources is higher than ever. This is your golden opportunity to tap into this thriving market.

Here are some of the features inside Canva Kids Game:

- **Accessible Anywhere** - These games can be played on any device without the need to download or install anything. Plus, no login or Canva account creation is required to play!
- **Editable in Canva** - Customize every aspect of these games using Canva's free account. Add your branding, tweak the questions, and make them truly your own.
- **Educational Value** - Each game is designed to be both fun and educational, ensuring children are learning as they play.
- **Massive Market** - The children's entertainment market is evergreen, with a constant demand for new and engaging content.
- **Private Label Rights** - This License allows you to profit from a huge market. Simply resell the games and keep all the sales you make.
- **No Skills Needed** - You don't need any technical skills to edit these games. Canva's drag-and-drop functionality makes it easy for anyone to use.
- **Covers & Boxes** - Receive professionally designed game covers & boxes. Attract customers and boost sales with these ready-to-use marketing materials.
- **Engaging Storybooks** - Each game comes with its own storybook, Use the storybooks to enrich the learning experience and make each game even more memorable.

This is your chance to not only make a real impact on education but also tap into a thriving market with incredible income potential.
