St. Petersburg State University

SPbSU's programme «Master in Management» was ranked 25th among the top 100 master's programmes in the world according to the Financial Times. It remains the only representative of Russia in this ranking. It entered the list in 2013 for the first time and took the 65th place. Over eight years, it climbed 40 positions in the ranking, owing to the uniqueness of educational content and the support of alumni and corporate partners.
