

First:

State and spell name on camera, please restate all questions into your responses

- How did Visions of Venus form as a band? (Ask before hand, who)
 - Things to consider:
 - Who's idea was it?
 - How did you find your members and discover their abilities?

(ask who usually books VOV gigs)

- Give a brief description of some of your current gigs
 - Mention Hoco and first gig
- How has the band grown in success? (both)
 - Consider:
 - How has your main audience changed?
 - Popularity online (instagram) ari
- Has being part of a high school band increased your social circle and affected your social life? (Both)
 - Do you feel you are ever treated differently by your peers or teachers, positive or negative?
- How do you balance schoolwork and your band? (Both)
- Some of you are seniors, have college applications added more stress onto your plate and conflicted with VOV? If so, how do you handle that?
- What are your plans after high school?
- Do you plan to continue Visions of Venus post graduation?
 - What are some future plans for VOV?
 - Where can we see VOV heading in the months/years to come?
 - Mention the YouTube channel
