Registration

There is no pre-registration or online registration. Everything needed for Driver Education registration and for acquiring instruction permits is done only on the dates listed below and not before. Please do not send/mail anything at this time.

To take Driver Education during Summer School, you must attend BOTH of the two special sessions described below.

- **Session 1: Tuesday, April 07, 2026 – 7:00 p.m.** The initial registration for Summer School Driver Education will be held in the North Cafeteria. At this meeting, students will complete the appropriate forms and will review for the Rules of the Road test in order to obtain a Learner's Permit. Applicants must bring a black pen.
- **Session 2: Tuesday, April 21, 2026 – 7:00 p.m.** At the final registration in the North Cafeteria, students will procure a Learner's Permit, **complete forms**, and pay fees. Students will then sign up for a specific Driver Education class.

Total Fee: \$250

The fees are to be paid on the second night of registration by non-OPRFHS students, anyone retaking the course, or OPRFHS students who have not yet paid sophomore fees. Credit/debit cards, checks, and money orders only.

Attendance

The Driver Education class will not be in attendance on June 19. Attendance is extremely important, and students are expected to be in class every day.
