VOICE MESSAGING FROM PRINCIPAL/SCHOOL TO PARENTS

[Red Text needs to be adjusted before recording]

1. **Introduction / First Mention**

Hello, this is [Principal/School Name].
We're inviting every family to join us for the National Family AI Game Plan Night on September 23. This free online event will help us stay connected and support our kids together in the digital world. [Check your email or text or our newsletter or social site for the registration link.] We hope you'll join us.

2. Reminder / Still Time

Hello, this is [Principal/School Name].
There's still time to register for the National Family AI Game Plan Night. We want every family learning and planning together with us. Please look for the link in your [email or text or our newsletter or social site] and sign up today.

3. Last Chance / Final Call

Hello, this is [Principal/School Name].
Tonight is the National Family AI Game Plan Night. We hope every family will join us to stay informed and connected. Please check your [messages, texts, our social site] for the link and register if you haven't already.
