Next week, October 26 - 30, we will meet Impy Ink from Letterland. We will also be talking, reading, and singing about pumpkins! Be sure to look at your material supply list to know what items will be needed each day. This will be our last week of daily 9:00am meetings and 9:45am small groups.

Beginning Monday, November 2nd, our morning meeting will start at 9:20am and will be one longer meeting rather than 2 shorter meetings. Some students are returning to school and our morning bell does not ring until 9:15. Both in-person and virtual students will attend the same meeting. We will build in a short break and lots of movement to keep everyone excited and engaged.

If you have indicated that your child will return to school they have been placed in Cohort C and will start Monday, November 9th. Teachers will provide more information to in-person students next week! Please read additional information from Dr. Chambers [here](#).
