READING – *This Summer*

This summer, I went to Miami with my family. We wanted to travel somewhere south, and Miami was the perfect place to go. The people were very nice and friendly. The weather was hot and sunny.

On our first day there, we went to Miami beach. It was packed! There were so many people there. We swam and sunbathed. We ate ice cream and drank coconut water out of coconuts. It was amazing. There were many restaurants by the beach. We had dinner at a fancy Cuban restaurant. The food was delicious, but it was expensive. The bill was almost $400!

On the second day there, we went shopping. We went to Bayside Marketplace. We got there on an Uber. The Uber was cheap. It was only $20. The mall was huge. We were tired after two hours. Our feet hurt and it was hot. I liked it, but it wasn't my favorite.

On our last day there, we took a road trip to Orlando. We went to Disney World! We bought matching shirts and Mickey Mouse ears. We went on different rides. It was so much fun, but the lines were so long! The lines to go on the rides had wait times of over 40 minutes. After, we stayed at a hotel near by. We woke up early the next day for our flight back to Boston.

On our flight back to Boston, we met someone from Waltham. We talked and laughed with them. Our trip to Miami was short, but it was great. I definitely want to go to Miami again in 2024.
