Bring Your Own Device Agreement

2025

My child will bring their own digital device to school for use in the classroom learning programme.

I understand that:

1. All devices brought to school are my child's responsibility and the insurance for the device is my responsibility.
2. That teachers will provide a locked cupboard in which to place their device when not in use. If my child does not use this facility then the school holds no responsibility for any loss or damage which might occur. Any technical issues with the unit (viruses etc) is the responsibility of the equipment owner.
3. All devices must arrive at school each day **fully charged**.
4. Devices will not be used on the floor or on the ground outside and will be carried correctly as instructed by the teacher.
5. All devices must be named for easy identification
6. Devices are only to be used under adult supervision.
7. Devices brought to school are for the use of my child. Any sharing is at my child's discretion.
8. Teachers will encourage the use of personal digital devices when appropriate and students will be able to use them for homework activities.
9. Rules, including the cyber-safety policies, governing the use of a school-owned digital device will apply to student owned devices, while they are at school including adherence to the Copyright act.

I understand and accept the requirements of this agreement. I understand that my child will not be permitted to use their device on the school network until this agreement is signed and returned to the teacher.
