WHAT IS A SCHOOL-PARENT COMPACT?

Our annual school-parent compact offers ways that we can work together to help support our students in their success. This compact provides strategies to help connect learning at school and at home.

Effective Compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that staff, parents, and students can use
- Explain how teachers and parents will communicate about student progress
- Describe opportunities to observe, volunteer, and participate in the school community

Jointly Developed

The parents, students, and staff worked together and shared ideas to develop the school-parent compact. At a campus improvement team meeting each year, parents and staff review and revise the compact based on the school's academic achievement goals and students' needs.

Parents are welcome to provide feedback at any time. All feedback will be collected and reviewed during the annual revision meeting with parents.

Building Partnerships

There are many opportunities at Christie Elementary for parents to volunteer and play a role in their child's education. Please consider joining the faculty, staff, and fellow parents through some of the following events and programs:

- Volunteer Opportunities
