

PRIVACY POLICY

mySIIS

This Privacy Policy describes our policy with regard to your personal information ("Personal Data") and other information that is collected from you when using mySIIS Inc. 's mySIIS Connect mobile application ("mySIIS"). We are committed to treating you and your information with respect and sensitivity. By consenting to the Mobile Application User Agreement and Terms, you also consent to this Privacy Policy and allow collection and use of information and data, including your Personal Data, in accordance with this Privacy Policy. mySIIS may from time to time amend and/or update this Privacy Policy. The Effective Date appears at the end of this Privacy Policy.

By providing your Personal Data to mySIIS in any format (e.g., via email, telephone, fax, or in person) and/or continuing to use mySIIS, you accept and consent to the practices described in this Privacy Policy.

1. WHAT INFORMATION DOES mySIIS COLLECT?

mySIIS collects personal information that you enter on mySIIS or otherwise volunteer to mySIIS when you download mySIIS. You can choose not to provide certain information, but you might not be able to take advantage of many of our features.

For purposes of this Policy, "**Personal Data**" means information (whether stored electronically or in paper-based filing systems) relating to a living individual who can be identified from that data (or from that data and other information in our possession). Personal Data can include: name, address, email, phone or date of birth, financial information, and other sensitive personal information, as defined by law.

mySIIS collects only that Personal Data that is relevant for the purposes for which the data is requested. mySIIS does not use your Personal Data in any way that is incompatible with the purposes for which it was collected or for which you have consented.

In some circumstances, mySIIS may ask you for and you may submit Personal Data, which may include: contact information, such as name, address, email, location and phone number. For complete functionality of mySIIS, you will be required to provide access to your contacts and calendar functionality stored on your mobile device. You can choose not to provide access, but you may not be able to utilize the full functionality of mySIIS. You may also choose to provide additional information through mySIIS, such as health information. mySIIS does not collect this information. Finally, mySIIS may also provide a location feature that may require access to your location. If you choose to enable this feature, you will be required to authorize your approximate location information collected from cellular, Wi-Fi, Global Positioning Systems (GPS), Camera, and Bluetooth. If you have provided access to a caregiver or other individual, such location information may be provided to them.

2. DOES mySIIS USE COOKIES? mySIIS does not use cookies.

3. HOW DOES mySIIS USE PERSONAL DATA?

mySIIS will use this information noted above to provide you with the information and services that you request from mySIIS; to contact you in the future to provide you with information about other goods and services mySIIS offers; to notify you about changes to mySIIS; to comply with applicable laws and regulations; to perform data analyses (including anonymization and aggregation of Personal Data); and to improve mySIIS to ensure that content is presented in the most effective manner for you and for your mobile device.

4. DOES mySIIS SELL YOUR PERSONAL DATA TO ANY THIRD PARTIES?

mySIIS does not provide or sell your Personal Data to anyone other than those that you specifically authorize for access. mySIIS is designed to enable connectivity among groups and communities. mySIIS will only enable group and community sharing if you specifically authorize such access.

5. OUR STORAGE OF YOUR PERSONAL DATA

mySIIS uses reasonable and appropriate measures to protect your Personal Data from loss, misuse and unauthorized access, disclosure, alteration and destruction, taking into due account the risks involved in the processing undertaken and the nature of the Personal Data mySIIS collects and stores that information on a Google Protected Server. mySIIS will keep your Personal Data for as long as mySIIS needs it, or as otherwise prescribed by law, for the purposes set out above. This period will vary depending on your interactions with mySIIS.

6. ACCESS TO OTHER APPLICATIONS AND WEBSITES

mySIIS may provide links to other applications and websites. If you follow a link to any of these applications and/or websites, please note that they are not covered by this Privacy Policy. mySIIS is not responsible for the privacy practices of any third parties or the content of linked content. mySIIS encourages you to read the applicable privacy policies and terms and conditions of such parties. This Privacy Policy only applies to how mySIIS deals with your Personal Data, and it does not apply to any other company or any other company's applications and/or websites even if you access them via mySIIS. Please check those policies before you submit any Personal Data to them.

7. ADDITIONAL POLICIES IN COMPLIANCE WITH THE EEA PRIVACY LAWS

In addition to the other policies described in this Privacy Policy, residents of the European Union or the EEA are afforded the following additional rights and protections as required by the General Data Privacy Regulation ("GDPR"). mySIIS does not collect and store Personal Data of EEA residents. You may request removal of your non-anonymized data by sending a request to **mysiis.map@gmail.com**.

8. CONDITIONS OF USE AND CHANGES TO OUR PRIVACY POLICY

If you choose to use mySIIS, your visit and any dispute over privacy is subject to this Privacy Policy and our Mobile Application User Agreement, including limitations on damages and resolution of disputes. If you have any concern about our privacy practices, please contact mySIIS with a thorough description, and mySIIS will try to resolve it. As mySIIS's business changes, its Privacy Policy and End User License Agreement may also change. mySIIS may email periodic reminders of our notices and conditions, but you should check mySIIS frequently to see recent changes. Unless stated otherwise, mySIIS's current Privacy Policy applies to all information that mySIIS has about you and your account.

9. CONTACTING mySIIS

mySIIS is owned and operated by mySIIS. If you have any questions or suggestions with respect to this Privacy Policy or our privacy practices, please e-mail mySIIS at **mysiis.map@gmail.com**.
