Fire Drill – Radio's and All Call system issues – Dr. Cuomo informed the committee he cannot all-call both K-12 and SCCTC, use to be able to, still here working on the system. Mr. Bach has already called Triguard to inform them we will conduct a Fire Drill tomorrow. NEPA Healthcare Clinic Update – The clinic is now open in the Administration area. They have their own entrance, Handicap entrance will be through Administration. They are open Monday, Tuesday, and Fridays. The state is coming to tour from School Based Healthcare on April 28. Mrs. Evans asked if there would be a sign, as she had a faculty member stop in the business office looking for the health clinic. Mr. Bach stated he would order and put on the door and in the hallway. Swatting – After the Tennessee school incident, Wayne County and Western PA schools had false alarm calls. PSP and SRO were alerted and aware. Need to look at phone number and details of any calls. Warm Weather Drill - Dr. Cuomo stated this needs to be completed again with new staff and ALICE training completed. Mr. Weisgold brought up the lock's accessibility to the Pool. A different lock to get into the office and into the pool area. Also need a different lock/key to get into the nurse's office. Mr. Bach stated we had all 1 & 2 keys they go to a 5 key; he will call Kelley Brothers to get these changed. Mr. Bach informed the committee they are still here working on updating the door alarm system. SCCTC CDL road – Mr. Gazzillo informed the committee that over Easter break the road was widened. Next step will be updating the electric down to the pad, will be installing more lights at the CDL pad as well. The area all the way from the road to the gas pad will be paved, Mr. Gazzillo and Mr. Weisgold have discussed how this will affect CDL and Parent pickup/drop-off in the elementary. This has to be completed prior to June 30, 2023. Mrs. Griffiths informed the committee there is an AED at the CDL building now. Mrs. Griffiths and Mr. Gazzillo have talked and are getting Stop the Bleed and 'Go bags" for both Building A & B. Mrs. Bush is looking into getting Certified to train 'Stop the Bleed', she is also getting her students involved to be certified. Mr. Bach informed the committee that the Roof project is to start this week, they were here earlier this week to complete the Moisture scan. Dr. Cuomo stated this project is 7th and 9 grade area to the Main office and entrance areas. They will be working on it with minimal disruption.
