<p style="text-align: center;">New Business</p>	<p>PTA Activity Planning:</p> <ul style="list-style-type: none"> ● 2nd grade service project - Me as a Leader - community impact project - thinking about planting pollinators behind the Kindergarten and office windows. We need costs to make a decision. Holland made a motion to use \$200 of garden funding for this pollinator project. Seconded by Bree. None opposed. ● Library supply receipt turned in and will be covered by their library fund. ● Carnival updates - Could not confirm horses for this year. Holland is proposing a rock climbing wall in lieu of horses. This has a weight limit of 40-250lbs. We would need volunteers for taking tickets. The cost would be \$850 for two hours. Managing the line and weather are only concerns. Do they need a parental waiver and may need a volunteer managing that. Do we need to provide barricade fencing? Andrea approves these items with the budget line item. Signup Genius needs volunteers. Add a QR code to share the Signup Genius and push to send home. Pump it up to parents at pickup. ¼ sized sheet with flier and QR Code and a few free tickets. Give free punches for volunteering. ● Help needed with Field Day - need more staff support. It is the last day of school. Monday, June 5th from 9am to 1pm. Is there PTA support? Andrea, Shannon, Megan and Jamie volunteered. Could use at least 2 more people. ● June Meeting the 6th. When and where - pizza and picnic on the playground like last year. Executive meeting to determine dates for next year and present it at that meeting. ● Kernels Baseball Day - Scheduled for September 3rd, 2023. Reserving 150 tickets at the reduced rate. The date is locked in.
