

Good afternoon parents and guardians,

Due to the recent snow storm, the optioning process will begin for the 2025-2026 school year on Monday, 1/13/2025. Your students will attend optioning meetings in their Social Studies class if they are in grades 7-10 and in their English class if they are in grade 11. **All optioning information is accessible on the Walnut Hills website, under the Counseling tab.**

Students must also submit a paper optioning form. These are being distributed during grade level optioning meetings. They are due by February 14, 2025. Additional copies are available in the Counseling office, Room 2203. **Completed optioning forms should be turned into the Counseling office.** Online optioning in our new system, Focus, will start on February 3, 2025.

Counselors are hosting virtual Q & A sessions to answer any general questions you may have about the optioning process. Please see your link and meeting information below. If you have specific questions about your student's course selection, please contact their counselor via email for assistance. Contact information is available on the Counseling tab under Staff on our website.
