

Item 9.2 Progress on Strategic Action Plan to reduce the double burden of malnutrition in the South-East Asia Region 2016-2025 (SEA/RC69/R5)

Contents

- [In focus](#)
- [Background](#)
- [PHM Comment](#)
- [Notes of discussion](#)

In focus

[SEA/RC75/14: Progress reports on selected Regional Committee resolutions](#)

[SEA/RC75/14 Add. 1: Recommendations of the high level preparatory meeting](#)

[SEA/RC75/14 Add. 2: Original resolutions](#)

Background

See below- this is essentially a progress report.

PHM Comment:

PHM note- - reports on progress made on past action plans and endorses a resolution that calls for implementation of the regional Strategic action plan on double burden of malnutrition and the recently adopted WHA 75 approved action plan on obesity. Policy analysis not undertaken as yet.
