Vocal Committee Minutes - Re-Created

Present Patti Cody, Steve Sawyer, Fran Marino, Sonia Kulhowvick, Tina Roach

Middle School Audition form:

- Fix typo at bottom of page
- Discussion regarding taking the vocal range staff off of the audition form. We would like to leave it on the sheet, but perhaps make it smaller, or do a written vocal range.
- Discussion to leave part choice for Sopranos and Altos and Either. Decided to leave as is.
- Discussion regarding expression and stage presence.
- Discussed and decided (I think) to change intonation rubric score choices to 20-17-13-9-3.

Adjudicator Training:

The membership feels it's time to do another adjudicator training session. People stated they do not feel comfortable adjudicating without some initial guidance, and would in fact not volunteer for that job without a training.

Suggestion to ask for a ½ Professional Day, with lunch, and training to take place preferably at the first audition site on the day of the audition. All adjudicators (Middle and High) would attend the training that day.
