

Dear [INSERT SURNAME]

Andrei SKOCH, deputy of the Russian State Duma, is under European sanctions. He is one of the beneficiaries of Vladimir Putin's corrupt regime and is guilty of unleashing the war of aggression against Ukraine. The US and the UK also sanctioned the politician's daughter Varvara SKOCH. However, she has still not been subjected to the EU sanctions.

Varvara Skoch is the nominal owner of Andrei Skoch's business assets. In addition to Russian citizenship, she is also a citizen of Cyprus (National ID No. 1287920).

I ask you to consider calling on the European Commission to impose sanctions against Varvara Skoch.

Sincerely, [INSERT YOUR NAME]
