Summary Paragraph, Time for Kids Video with Mrs. Wilson https://youtu.be/IRTPIUKzi60 Article to read https://www.timeforkids.com/g34/for-the-birds/ OR https://classroom.google.com/c/MTI3MjM2NzcxODk0/a/MjE4NDUwMTkxNTk4/details Writing a summary paragraph. First we read the article. Next we organize our thinking. Finally you will write a summary paragraph. Write a summary paragraph telling what the article is mostly about. You must have five sentences. Be sure to include: a topic sentence, three details sentences, and an ending sentence. Your ending sentence can be a sum it up, probing question or opinion (as long as it brings you back to the topic). Write using own words, indent the first line, use capital letters at the beginning of each sentence, and use punctuation at the end of each sentence. Attach extra binder paper if you need to. When you are finished with this assignment, read all of this Time for Kids magazine.
