**LIBRARY AUTOMATION:** The library functions on Alice for windows software. All library functions such are accessioning & circulation serial control, browsing of E-journals have started functioning.

### **WEB OPAC**

On Line Public Access Catalogue of all the 161439 books is available to library users. OPAC is also available in respective teaching departments. To find a book, check the subject, author or title on OPAC. Students are also provided instructions on how to use a computer-based library system.

### **ELECTRONIC LIBRARY**

The library fully recognizes the importance of electronic media in the dissemination of knowledge. It has built up a lively collection of 3050 book CDs, 1001 journals and magazines CDs. It also has diskettes, audio cassettes and DVDs. Students have free of charge facility to read or write CDs. They may also borrow CDs for home use.

### **TBL SCHEME**

Based on the Roorkee model of library service, the library provides Text Book Loan facility to B.Tech students. It enables them to study the university accredited books and cultivate good reading habit. Under this scheme, a full set of prescribed textbooks is issued for semester duration. These books are returned before one gets next semester books. An overwhelming 97 percent of students opt for TBLS membership. This is an index of its popularity.

### **QUALITY AND NUMBER OF BOOKS:**

The library purchases quality books in various branches of engineering and technology. UPTU recommended books and other seminal books of general and reference category are obtained in adequate numbers.

Total number of books (January, 2018) is 161439 running into 16354 titles

### **DEPARTMENTAL LIBRARIES:**

The central library maintains departmental libraries in CS, IT, EC/EI ME, Civil Engineering, Chemical Engineering, Pharmacy, Biotechnology, Communication English. These books are mainly used for reference in tutorial and class room teaching by the faculty.

**GIRLS HOSTEL LIBRARY:** As girls students can not use the library services after 5 p.m. and on closed days, it was deemed proper that library facilities should be provided to them after class hours and on holidays also. A good beginning has been made in this direction. The hostel library has been provided with 805 books. It remains open between 5.00 p.m. to 8.00 p.m. on week-days and from 10 a.m.-1p.m. noon on off days.

### **BOOKS FOR WEAKER SECTION OF THE STUDENTS:**

The Department of Social Welfare, Uttar Pradesh Government has presented multiple copies of 102 titles of B.Tech level books for use of SC/ST and OBC students. The total number of these books is 647. These books are exclusively issued to them.

**REFERENCE SECTION:**

For the added benefit of students the library has established a reference section. It consists of two copies of all prescribed books in the courses of readings. These books are issued for consultation in the library and also for overnight use. About 6,400 books are housed in this section.

### **ACADEMIC JOURNALS**

#### **Quality and Number of Journals:**

The library subscribes to 250 National and 36 International Journals. It has obtained mandatory packages for e-journals. We have the best collection of E-Journals/ E-books

Current researches and advances in knowledge are first published in academic journals. To keep abreast of new developments in one's sector of research, one has to supplement his book knowledge by regularly scanning the journals. This is truer in the thrust areas of engineering and technology. As a matter of policy the library has standing subscription arrangements with leading publishers of international journals such as National Institute of Science Communication and Information Resources, NISCAIR, Indian National Science Academy, Indian Academy of Sciences; Indian Pharmaceutical Association; Indian Institute of Chemical Engineers, Biotech Consortium India, Institute of Electronics and Telecommunication Engineers, Computer Society of India, Association of Computing Machinery (NY) American Pharmacists Association (Washington), American Society of Mechanical Engineers (NY) and others. Popular magazines and newspapers are also available for use of members.

#### **E-Journals**

E-journals, electronic journals, online journals, e-zones and webzines are interchangeable terms. They have all features of a regular journal we are familiar with since long. Some e-journals might be available in electronic format or they may be an electronic copy of a journal that is available in print. Some e-journals give full contents or fewer contents. E-journals are also disseminated on physical media such as CDs or DVDs. E-journals are accessible to subscriber through internet.

#### **The library subscribes E- journals in:**

- A Engineering Journals for B.Tech. (CS, IT, EC, IE, ME, CH, Civil) & M.Tech. (CS, Digital Communication, Bioinformatics)
- B. Biotechnology (UG & PG Courses)
- C Pharmacy
