

DISCLAIMER JUST IN CASE MINAMASAMA YUNG DOCUMENT NA TO:

This was not meant to defame anyone. Fuck it, this wasn't even made for content. As stated sa tweet ko where this docu was posted on, ginawa ko to kasi ang daming nagpapa-summarize sa akin nung issue and tinamad akong mag-kwento paulit-ulit. Di ko kasalanan kung na-share siya. All content here can be easily linked back to their sources at hindi hinugot sa pwet ng kalabaw.

TIMELINE

LATE 2023

- Isay [makes VTahanan](#), a Twitch team that's open to everyone as long as you're her friend. It soon gets hundreds of members.
- Row 4 podcast joins Vtahanan
- Row 4 gets a publishing deal and becomes VVibes magazine, an actual printed magazine about local vtubers
- Isay becomes cover girl for the first issue, which gets sold at ESGS
- After ESGS Isay lets go of two core members of her mod team due to issues
- Isay prepares for her yearly Ampon Ball (vrchat event for local vtubers) pero hirap siya kasi nawalan nga siya ng two mods
- Some Row 4 members ask Isay if she needs help with the ball, Isay agrees
- They have a lot of disagreements during the ball prep process, especially because Isay has the Vtahanan Awards and VVibes has their own separate awards.
- Before the ball, Isay starts vague tweeting allegations against a group (obvs Row4) na they're forcing her to do stuff she doesn't like and forcing her to date some guy in their team daw
- Isay also paid para yung award winners for both awards get featured on stage during Cosmatsu, which Row 4 facilitated
- Ampon Ball happens December 30.

JANUARY 1 2024 (to like... madaling araw ng JANUARY 2)

- Isay starts the year with a statement that she is no longer affiliated with Row 4 kasi, and I quote "[bwiset sila](#)"
- A [75 page canva presentation](#) by Isay circulates about her beef with row 4 including screencap snippets that support her claims that Row 4 rigged the awards and are pressuring her to date one of them.

- Somehow this wakes up some people who have bad experiences with Isay. Screenshots of Isay's convos talking badly about other vtubers start circulating in private.
- [Nanasu Anone](#) streams about her experiences being bullied and lied to by Isay and all the rumors Isay spread about her. This stream had 200+ views. Some of Nanasu's experiences were corroborated by [other Vtubers](#) who started streaming around the same time as her and Isay.
- Balangay Live, a vtuber group Isay was formerly a part of, officially publishes [a statement](#) that they are not affiliated with her since early 2023 pa. This also comes after screencaps of Isay [spreading rumors](#) about a Balangay member and his Vtahanan member partner.
- Row4 publishes their own [124 slide canva presentation](#) about their experiences working with Isay including the full convos that she clipped to support her document showing the actual context of things, that the date our member was a one day joke, and how them and Isay talked about people that they didn't want to win any awards
- Some people start leaving Vtahanan (this was at different times of the day)

JANUARY 2 2024

- Isay returns to Twitter and FB
- Some former members of Vtahanan speak out about their experiences regarding their membership in the group, how Isay treated them during con prep and during the charity donothon, etc.
- Some [artists](#) Isay's worked with also come out with their experiences of feeling threatened to give her cheap/free art. (Most of these are on FB)
- [Some cosplayers](#) come out about their experiences with Isay when she was still a part of the local cosplay community

JANUARY 3 2024

- Row 4 [apologizes](#) for how they handled their awards. Reactions to this apology are mixed. (Isay apology when?)

JANUARY 5 2024

- Isay takes another shot at Nanasu on a Tiktok video, saying that it was stupid of Nanasu to treat her as a friend when she's just a "client". This is the first video of what the embattled vtuber claims to be a series of her side of the story.
- People continue to exit Vtanaan
- Isay streams on Twitch to update people. She's on facecam. I am practicing self-care by not watching it. Hanap kayong mag-susummarize na iba. I'd rather read 124 canva slides kasi at least doon di pwede mag voice changer.

JANUARY 9 2024

- In another Tiktok video, Isay denies Cornelia's claims that she doxxed her because "anong mapapala ko" and that no one in the right mind would believe her screenshot of Isay's mod harassing her. She then says Cornelia should just open an OnlyFans account. Mention of OnlyFans might be the reason why this video is region restricted. Thank you to the person who subs her tiktoks so I can watch it on mute.
- A cursory glance of Isay's social media on all platforms shows that people are not happy with her recent actions.
- SOCIAL BLADE STATISTICS: She lost 666 Twitter followers in the last 30 days (Tip: You can make a person unfollow you on twitter by blocking and then unblocking them)

JANUARY 24 2024

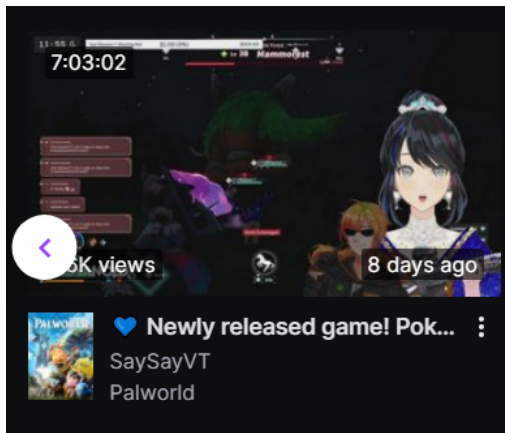

- After two weeks of silence and her TikTok “clapback” of Cornelia getting restricted, Isay comes back with a [statement](#) saying that she will do the following:
 - Give awards to the Ampon Ball Awards winners
 - “Legally and ethically” take action against defamatory actions against her by various streamers and content creators
 - Fully refund people who did not receive their commissions from her
- Contact her manager, YourBrodie on discord for further clarification daw.
- No, this statement is not an apology ANO BA e ano kasi ngayon kung maldita siya? HA? HAAAAAH?
- Anyway I like looking at numbers so let’s compare some stream view counts

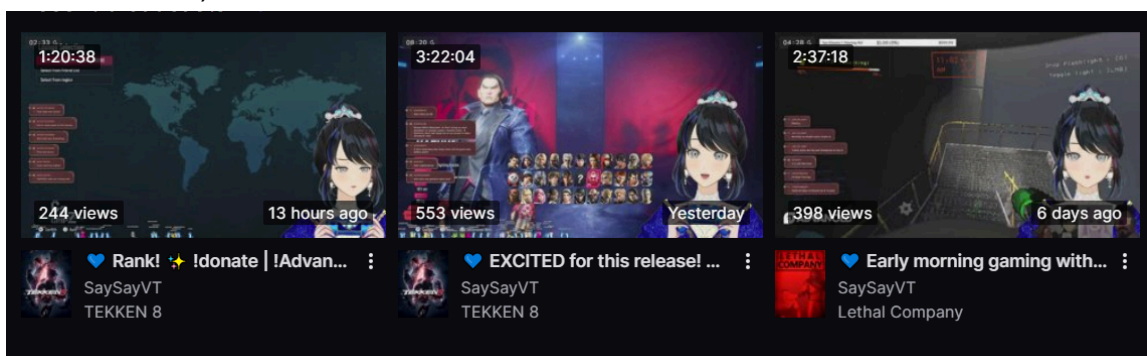

View count before the issue (last week of December) 700-1300

View count during the issue (early January, screenshot of her facecam stream covered to keep her identity private kasi di ako doxxer) 1400-1600

View count playing Palworld (whose popularity may or may not have affected view numbers) 1600

View count during last week of January (Tekken 8 is freshly released, Lethal Company waning in popularity among streamers but still up there, Isay restricts vid views to subscribers only) 240-550

AUGUST 30, 2024

- Goes back to streaming on her Twitch, using the model that was drawn by the artist who had previously complained about being underpaid/unpaid/overworked for all the models they drew for her (see January 2 entry)
