

Q: Please share your lightbulb moment or key takeaway, or any final thoughts in the chat: What was your lightbulb moment?

- It's not about the words we use
- Rediscovering what my red thread is
- Listen to what the community wants
- "Regenerative Tourism is not about Tourism"
- Take the next step in front of you
- Place paradigm not numbers paradigm
- Not alone
- Love
- Tribe!
- I'm not alone, community
- Power of place, and the power of stories of place
- Inner journeys
- The power of togetherness
- Connection with like-minded people and INSPIRATION!
- Community at the heart of it all. ❤️
- The difference between where we are and where I really want to be
- There is a way ❤️
- listening more
- As it starts raining here.. I love it! How wonderful this community is!!!!
- Everyone struggles sometimes!
- Diffusion
- Regenerative Tourism is not about Tourism it's a Tool for our regeneration
- Non-judgement
- "Find your Tribe"
- Joyful long journey
-
- Stay simple and focus only on the next step
- Amazing initiative to connect like-minded people this way during this summit! Thank you Dianne!
- Be regenerative - but you don't need to say the word regenerative to be regenerative
- The importance of storytelling
- I'm not alone
- Honesty
- Collective enthusiasm
- The importance of words
- So much energy in the field - active hope
- So many on the path of changing our lives
- I am not alone
- Use language not for policing, but for supporting change,
- We are not alone

- When Anna said yesterday that if we police and criticise people who are trying to learn, they'll retreat back into their old way of thinking
- Not about the words. Get out from the words and connect back into our feelings, community hopes and dreams
- We need to sit in the mess to understand the transformation that's needed.
- Take and celebrate baby steps
- I was meant to leave 20 minutes ago, but couldn't leave - totally amazing - thank you!!
- Thank you very much.
- Thank you amazing team!!!
- Thank you so much for everyone's hard work to make this happen!
- Shifting the concept of "challenges" to "POTENTIAL"!
- Thank you tourism CoLab and the panel
- Amazing ❤️ Thank you x
- Go raibh mile maith agat to Dianne and the whole team - 1000 thank yous from Ireland!
- Thank you Dianne and to all the panelists ! I come out of this summit with lots of renewed motivation.
- Someone shared this quote I loved: „The major problems in the world are the result of the difference between how nature works and the way people think.“ - Gregory Bateson
- Thank you everyone for your energy and lead!
- You are a 🌟 @Dianne Dredge | Local2030IN | The Tourism CoLab
- Three cheers to Team Tourism CoLab! ❤️🌱
- Thank you for a wonderful event and holding this important discussion!
- Thank you!
- Thank you Dianne for bringing this together. I hope everyone leaves with the positive sense of reiteration of doing the right thing that I have.
- Thank you all for organising such interesting sessions yesterday and today!
- Wonderful, important, and empowering summit! Well done and thankyou!
- Absolutely , thanks Dianne
- I'm pleased you feel that!
- Thank you for a great event! I was great to gain and share some bits of knowledge with everyone <3
- Thank you Dianne and team. So inspiring and the connections created around the world are so heartening that we're not working in isolation.
- Thank you and CoLab team - that was FANTASTIC
- Thank you Dianne, Nadine, Debbie, Keeley, Vanesa!! This was an amazing event x
- Slán libh - Go raibh mile maith agaibh. Thank you very much.
