

Privacy Policy for Sky Reaper

Last updated: April 16, 2026

1. Introduction

Gulupa Games ("we", "our", or "us") operates the Sky Reaper mobile game ("the App"). This Privacy Policy explains how we handle information when you use our App.

2. Information We Collect

Sky Reaper does not collect, store, or transmit any personal information. The App does not require account registration and does not collect names, email addresses, or device identifiers.

3. Game Data

Game progress (level, score, lives, and bombs) is saved locally on your device using a local database. This data never leaves your device and is not shared with us or any third party.

4. Google Play Games Services

If you choose to sign in with Google Play Games, Google may collect certain information as described in [Google's Privacy Policy](#). This includes your Google Play Games profile and achievements. We do not have access to your Google account credentials.

5. Accelerometer / Sensor Data

The App may access your device's accelerometer for tilt-based controls. This data is used solely in real-time for gameplay and is never stored or transmitted.

6. Third-Party Services

The App uses Google Play Services. Please refer to Google's Privacy Policy for information on how Google handles data.

7. Children's Privacy

Sky Reaper is suitable for all ages. We do not knowingly collect personal information from children under 13.

8. Changes to This Policy

We may update this Privacy Policy occasionally. We will notify you of any changes by updating the "Last updated" date at the top of this page.
