

NAVIDAD VALLEY CATTLEWOMEN

Kay Gibson, Scholarship Chairman

To Whom it May Concern,

Good afternoon-

I am Kay Gibson, Chairperson for the Navidad Valley CattleWomen's Scholarship Committee. We are happy to once again be able to offer scholarships for graduating Seniors in Class of 2024 representing Lavaca, Fayette and Colorado Counties. We encourage applicants who are involved with beef and agricultural backgrounds to apply, however that is not required.

So that all are engaged in the application process, we are requiring a Parent or Guardian signature, as well as the student and Counselor. We are also requesting 3 small pictures of the student involved in activities or events during their high school years.

The application can be found on the Navidad Valley CattleWomen website at nvcw.org with complete instructions. The student is encouraged to save the application after they have completed the first page, and then download it to their computer to complete, along with the Rules & Guidelines and Helpful Hints.

Please discuss the rules for completing the application with your students, and impress upon them that there are no exceptions, particularly to postmark deadlines, transcripts and the **original** signatures that are required. The committee **will not** accept any application that has "see attached resume". Specific pages are within the application for the student to list their activities and achievements. **The 2024 postmark deadline is March 8, 2024.**

Please forward this letter to the Ag Teachers at each of your schools.

We look forward to working with each of you. Should you have any questions feel free to call me on my cell 281-705-7647 or email jimk.gibson@sbcglobal.net

Regards,

Kay Gibson
