

Vote Ceasefire

CA: Write-in “Ceasefire” on March 5th Social Media Toolkit

We are asking California voters who support a permanent ceasefire to write-in “Ceasefire” on their Presidential Primary Ballot on March 5th.

Politicians listen to votes, and the people want a ceasefire. Use your vote to demand a CEASEFIRE NOW .

- Send a message to President Biden to use his influence to press harder on Netanyahu and Israel’s extreme, far-right government for an immediate ceasefire.

We need your help to spread the word in advance of the March 5th Presidential Primary. Please share the following messages on all platforms to help let voters know that this is a possibility and to drive them to the polls.
