

Dragon Doodle's Terms of Service

General Rules:

- Payment is due before work can begin.
- If I say no to something, it means no. Do not continue to ask about it.
- If it is on my list of things I will not do, please do not ask me about to do it for you.
- Please make sure to read over everything before contacting me for a commission.
- Though my goal is to always have your art done a week after payment is received, this is not a guarantee. Please do not constantly seek an update from me. I will be sure to let you know if something is keeping me.
- If something isn't on the list, feel free to ask me about it! I may have forgotten about something.
