

Learn and Share

GOAL

Learn something new and share it with the class.

INSPIRATION

It could be a new skill, a new way of thinking, planning, or designing.

This could be a tutorial, lesson, a YouTube video, or maybe even a TED Talk.

DIRECTIONS

1. Create a short presentation that is between 3-8 slides
2. The slides should include pictures and videos that would be interesting to watch and learn from
3. Please respond to at least two others' presentations with constructive feedback and ideas
