

Proof of Residence for Kearney School District

Why does the Kearney School District require Proof of Residence?

As part of our continuing effort to verify students enrolled in the Kearney School District live within our boundaries and in accordance with Missouri state law, we require all families with **new** students to provide proof of residence prior to enrollment. In addition to new students, we require incoming Kindergarteners to also provide proof of residence. Each year we will review every student's residence and may require proof of residence during Back-to-School registrations. We focus on maintaining fiscal accountability to our taxpayers and want to ensure our tax dollars are spent on KSD students. If proof of residence cannot be provided and you believe you should be enrolled at KSD, please contact your child's school or Central Office.
