

Hey Name,

How are you doing??

I recently signed up for your newsletter but, I have received one email so far is it something you are fixing at the moment??

If you are, I think I can help your business, I can create an email sequence for you for free, and if you like it you can send it to your email list and see what results they bring in for you.

If you are interested you can reply, and I will send it to you within 2 working days.

Have fun,

M Rahat

P.S. If you like the email sequence I can also share some more ideas that you can use to grow your email list more and later turn them into paying clients.

Outreach 2

Hey Name,

Thanks for the free book on how to properly bulk up, it helped me a lot in identifying my mistakes where I was going wrong.

I wanted to ask why you are giving out the free ebook without taking the user's email address. Is it something you have in your mind and will later fix??

If you are, I think I can help you bring in more revenue for your business, If you are interested I can create a free landing page and a welcome sequence for you if you like it we can talk more about how I can help you more.

Always here to help,

M Rahat
