Digital Round Robin

Directions:

1. Each student will have ⏱**5 minutes** to craft a response to the question with evidence from the text
2. Beginning with Student 1, each student will stand and have ⏱**1 minute** to read their response.
   a. Group members should list the name of the speaker in a column and type a summary in their personal note documents
   b. Teacher will run the timer and it will repeat until all group members have gone
3. Group will review notes together and have ⏱**5 minutes** to come to a consensus on a group response. They will type the consensus response in the green area of the table
4. Seat 2 from each group will share the consensus answer with the class for feedback
